DETAILED ACTION

Election/Restrictions

1. Applicant's election of Group I in Paper No. 08122003 is acknowledged.
Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).
2. It is suggested that Applicant's cancel non-elected claims 5-7 in reply to this Office Action.

Claim Objections

3. Claim 1 is objected to because of the following informalities: On line 6, the word "is" should be replaced with --are--. Appropriate correction is required.

Allowable Subject Matter

4. Claims 1-4 are allowed.
5. As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

6. The following is a statement of reasons for the indication of allowable subject matter: The prior art of record either singularly or in combination failed to anticipate or render obvious the limitations of carrying a plurality of wafers into a die bonder and bonding chips which are taken out from said plurality of wafers to form a chip assembly as required by claim1.

Conclusion

7. This application is in condition for allowance except for the following formal matters indicated above in paragraphs 2 and 3.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
